

Resignation of Registration Form

Licences are issued annually and remain valid for the full year. All fees paid are on an annual basis and are non-refundable.

To ensure the public register is current and to avoid unnecessary renewal reminders from CMLPSK, registrants may resign their registration during the licence year.

If you wish to resign your Practising licence during the licence year, please complete and submit this form to the CMLPSK office at: info@cmlpsk.ca
